

Sunset Hills Montessori School Elementary Supply List

The following list is meant to guide you in your purchases of materials and tools for your child's use in the classroom. It is a guide-you do not have to get the exact brand that we suggest.

IF your child is a returning student, please have them bring back the composition books that have room in which to work. Since we have a three year cycle, we can continue to use the same notebooks until they are full. Please also return your child's portfolio (empty) and take-home folders.

- Rubber soled slippers for classroom use (shoe style, with backs, no noises or flashing lights)
- 1 journal notebook of your choosing, standard 8x11 size (may have a decorative cover or the standard composition book cover)
- 1 set of wide and 1 set of narrow colored markers (classic colors, unscented only)
- 1 set of good quality colored pencils
- 3 wide-ruled composition notebooks
- 3 pocket folders in red, yellow, and blue
- 1 quad-ruled graph paper composition notebook **Please determine which size square is appropriate for your child; however, all first years should have the graph paper with the larger squares.
- 1 sketch book of your choosing, standard 8x11 size
- 1 (½) inch binder
- A pair of scissors—Fiskars Student or Standard sizes
- A clipboard

All supplies should not include TV, movie, comic book, or toy characters.

The children will label supplies during the first day of school.

Thank you!
